

Chemical range

Master Chemicals have long set industry standards for quality, consistency and innovative formulation. Our extensive range will provide excellent results on hard floors/surfaces and carpet, our specialty products ensure that you will always have the right chemical for your application.

Housekeeping & general

Chlorine/Bleach 12.5%	Industrial grade bleach. Contains 12.5% Sodium Hypochloride
Crème Cleanser	A thickened non abrasive liquid. Designed for rapid and efficient cleaning of baths, basins and most bathroom fittings
Laundry Powder	Premium powder for top and front loading washing machines.
Neutroclean	Mildly perfumed concentrated mopping/cleaning detergent with excellent grease cutting properties. Foaming neutral detergent for all washable surfaces
New Graffiti Remover	For the removal of paint and ink from hard surfaces
New Stainless Steel Cleaner	Effective cleaner for metal surfaces
Powerclean 40	A versatile cleaner degreaser. For use as a spray and wipe on most surfaces. Also suitable as a cleaner/degreaser for heavy build-up removal. Ideal for most applications including unsealed floors, tiles and many hard surfaces.
Quickclean 80	A powerful heavy duty alkaline degreaser for the removal of grease and oil
Quickclean 80+ Tile Cleaner	A powerful heavy duty acid based tile and hard surface cleaner
Stainless Steel Polish	Cleans and polishes stainless steel and many metal surfaces
Window Magic	Streak free glass/window cleaner

Bathroom & toilet

Bathroom Magic	An efficient and fast acting cleaner detergent. For use on porcelain, ceramic and most bathroom surfaces. Also removes soap scum, body fat, mould, mildew and algae
Concentrated Air Freshener	These fragrances deodorise whilst leaving a long lasting fragrance. Scents include: Laverne, Jazzmine and Rosey
Domestez	Tile and grout cleaner for bathroom areas. Also removes soap scum, body fat, mould, mildew and algae
Fresh Range	These fragrances are ideal for use in toilets and kitchens and any area where hygiene has a precedence. Scents include: Floral, Fruitty, Lemon, Spice and Sweet Talk
Hand/Body Lotion	Soft scented lotions for hands or body. Range includes Pink Lotion, Blue Lotion and Pearl Lotion
Ipex Powder	A blend of non abrasive cleaning powder. Designed for rapid and efficient cleaning of baths, basins and most bathroom fittings
One Shot	A rust breakdown agent for use on most rust contaminated surfaces
Toilet Bowl Cleaner	A fast acting bowl and urinal cleaner. TBC is thickened to enhance surface penetration and reduce wastage. Also used for the removal of soap scum and body fat

Hardfloor cleaning & maintenance

Easy Care	Acrylic floor sealer reviver. Excellent for spray buff application and can also be mopped on. Produces a high standard of gloss
Masterlook	Ultra High speed, acrylic sealer finish. Has superb adhesion and re-coatability. Perfect for high and low speed maintenance
Masterstrip	An heavy duty solvent floor stripper for the removal of floor sealer
Medi Strip	A low odour, floor stripper
Superclean	Powerful, neutral, low foaming detergent with excellent grease cutting and free rinsing properties. Mild on surfaces and will not harm polished surfaces. Suitable for mopping or used through an automatic scrubber. Can also be used as a spray and wipe
Super Strip	An ammoniated wax and polish remover. Heavy duty and fast acting dissolving agents will remove stubborn build-ups

Carpet cleaning & maintenance

Anti Foam	Foam suppressor for use in waste tanks of extractors or automatic scrubbers
Brownex	Extractor water line/pump cleaner for extractors where alkaline chemicals have been used through machine
Browning Treatment	For the removal of most browning and water mark stains
Carpet Mate	Heavy duty hot/cold water extraction chemical. Can be used in solution tanks of extractors or as a pre-spray
Citrus Clean	Citrus based solvent, ideal for carpet spotting. Also used as a powerful heavy duty degreaser, gum and graffiti remover
Coffee Stain Remover (CTURS)	For the removal of coffee, tannin, urine, red wine and fruit juice
Protein Spotter	For the removal of protein and blood stains
