

Sundries range

Master Australia Pty Ltd has long been established as a supplier of quality cleaning chemicals, equipment and products to a large cross-section of commercial, industrial, hospitality and healthcare facilities. Starting as a chemical manufacturer, we have expanded and now also align ourselves with industry leaders in machinery and general supplies.

SALES

Our external sales representatives visit our customers at their office or site. We specialise in assisting our customers with cleaning problems they may have on site – part of our commitment to service.

Customers are welcome to visit our warehouse in Sydney where our internal sales team can offer the same service in-house.

CHEMICALS

Master Chemicals have long set industry standards for quality, consistency and innovative formulation. Our extensive range will provide excellent results on hard floors/surfaces and carpet, our specialty products ensure that you will always have the right chemical for your application.

MACHINERY

The PROVAC Back Vac, one of Australia's leading vacuums through the 80s and 90s is now back in BLACK. Master is the major Sydney distributor for this release.

Tennant Company is a world leader in designing, manufacturing and marketing innovative solutions that help create a cleaner, safer world. Tennant's quality product range includes vacuums, burnishers, carpet extractors, automatic scrubbers and sweepers.

Polivac polishers, burnishers and carpet extractors and Kerrick pressure washers and vacuums are also distributed by Master – all innovative manufacturers with premium industrial and commercial equipment.
